

New CCR&R Coordinator: Gina Grego

Hello! I have recently accepted the position as the new CCR&R Coordinator. I would like to introduce myself to all off of the Early Childhood Professionals in Brunswick County!

I was born and raised in Iowa. After serving in the Navy, I spent the past 25 years in Vancouver Washington where I started my career in early learning. I worked at Clark College Early Childhood Lab School where I obtained my AS in Early Childhood Education in 1996. I received my BA in Human Development with a major minor in Early Childhood Education and a minor in Psychology from Washington State University in 1999. I recently went back for my masters degree and received my MA. EDU Guidance and Counseling from City University of Seattle in 2014. Since moving to the area I received my Administrative III Credentials in Early Childhood from Brunswick Community College in 2016.

Over my career I have had several roles: Working as a teacher at a small daycare center; Community College Preschools. My non-profit experience expands to 16 years working at Head Start as a teacher & family advocate in part-day, full-day and therapeutic child development as a teacher & family advocate. I spent 11 years at Head Start as an administrator in family services, child and family services, and family engagement. Other experiences I have had were working at a women's shelter, facilitating parent trust support group with children's home society, and serving as a foster/foster to adopt parent.

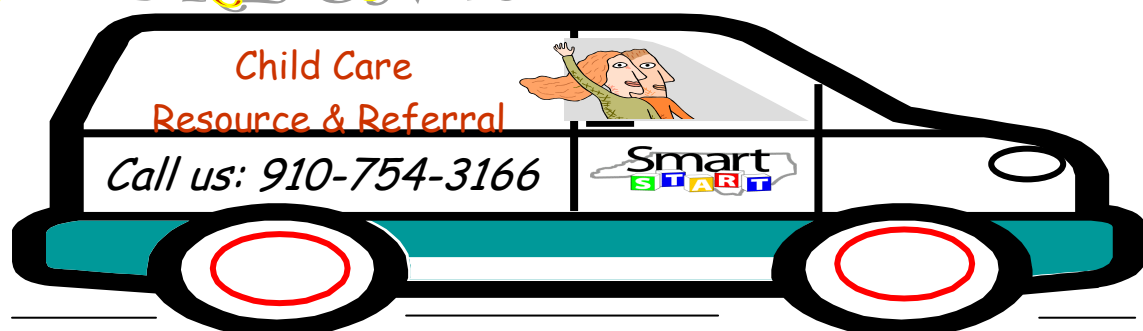

I moved to Oak Island, NC in Sept 2015. Jobs I held were Lead Teacher at Cape Fear Community College, NC Pre-K teacher at Brunswick Community College, and education coordinator at Easter Seals UCP in Wilmington.

I look forward to moving into my new role as the CCR&R Coordinator and meeting each of you. Please feel free to contact me with questions or ideas for future training needs.

Gina Grego, MA. Ed.

WE'RE ON THE MOVE FOR KIDS!
