

# Excellent Educators

We at Smart Start of Brunswick County would like to recognize Jane Dowd from Childcare Network #84. Jane was recommended by the director at CNI #84, Dee Mash.

Dee has stated that she loves the way that Ms. Dowd is always thinking of new and creative ways to keep her children engaged and interested in learning. Her class has grown by leaps and bounds since the beginning of the year. Ms. Dowd and Ms. Val work very well together and play off of each other, making life in the classroom even better!

Dee states that she absolutely loves her NC Pre-k team and wanted to make sure that Jane knows that she is appreciated and is truly an Excellent Educator!
