January 14th 6:30 – 8:30 pm – Deep Breathing: A Connection to Calm -

This training is geared towards informing, assessing, and providing strategies to support the skill of deep breathing and making the connection to help children learn how to calm. Participants will assess their own responses and reactions in relation to deep breathing by creating an environment that naturally promotes this crucial skill to early social-emotional development. They will learn about the importance of and evidence-based research on why breathing with children matters. This training will provide you with the understanding of your relationship with yourself, your children, and your teaching team/s.
