NC Pre-Kindergarten Application 2020-2021
Child must be 4 years old on or before August 31, 2020

North Carolina Prekindergarten Program

The Brunswick County Pre-K application process is administered by Smart Start of Brunswick County. NC Pre-K is a state funded program that provides children who may not otherwise be served with a valuable educational experience for 6.5 hours per day. NC Pre-K ensures school readiness, smaller class sizes and follows the Brunswick County public school calendar. Children with highest priority will start getting placed into the program as early as June, but many placements are not complete until early August. Placements are not guaranteed, as there are often many more applications than there are spaces. Pre-K placements are made based on program specific factors, not on a first-come, first-served basis.

Other factors that may be used to determine eligibility?

- Child has identified educational need(s) current Individualized Education Plan (IEP)
 - Child has identified developmental disability
 - Child has chronic health condition(s)
 - Child has limited English proficiency

The following is required for a complete application:

- Completed and signed application
- Copy of child's birth certificate
- Copy of child's immunization record
- Proof of all sources of income
- Proof of residency
- Legal document required for guardianship/custody if not living with biological parent
