Dear Early Childhood Professionals,

Now that the new semester has started, it will soon be time to think about the Education Incentive that we offer here at Smart Start. The process will be the same as in the past with the exception of one item. You will now be *required* to request your own transcript from the school you attend, and you must make sure it is included in your application packet.

All the required documentation must be received in my office on or before the deadline to be considered for an incentive. I will mail out the applications the end of November.

If you have any questions or need help with filling out the application, please do not hesitate to call or email me.

If you have received this letter, and no longer wish to be on the mailing list, please contact me and I will remove your name.

Thank you,

Amy Jolly
